MEMORANDUM FOR: Bureau Chief, Foreign Broadcast Information Service, Mbabane

VIA: Director, Foreign Broadcast Information Service

FROM: Daniel C. King
Director of Logistics

SUBJECT: Delegation of Authority to Act as Contracting Officer [redacted] 25X1

REFERENCE: Memo for C/RECD from LO/FBIS, dated 6 Jan 83,
Subject: One Time Contracting Authority for
FBIS Bureau Chief, Mbabane Bureau (OL 20032-83)

1. A central HVAC system with duct work would normally be the recommended method to heat and cool the main facility. However, without an engineering survey to determine the feasibility and available space for a floor mounted air handler or roof mounted unit (if the roof is flat), the split-type room air-conditioning unit, where noise is a factor, is acceptable. [redacted] 25X1

2. Therefore, in accordance with reference, you are hereby authorized to act as Contracting Officer in the execution of a fixed-price installation contract for the specified number of air conditioners in the Mbabane Bureau facility. Expenditures under this contract are not to exceed [redacted] subject to the availability of funds as cited in the reference. Contract administration shall be in accordance with the Defense Acquisition Regulation. Technical guidance relative to the project and contract administration is available from the Chief, Real Estate and Construction Division, Office of Logistics. [redacted] 25X1

3. This Delegation of Authority to execute the subject contract expires on 30 September 1983. [redacted] 25X1
